

C. & A. BAND APPEARS IN NEW SUITS AT ITS CONCERT THIS EVENING

Musical Organization Receives New Suits and Will Wear Them for First Time; Good Program Is Offered.

With their new suits of blue and gold stripes, as pretty a combination as could be secured, the members of the Calumet and Arizona band will appear tonight in the Post Office plaza for one of their usual excellent concerts.

Under the direction of W. St. Martin, who has headed the band for many months, the organization has taken form and presenting some very good music. Their concert is always enjoyed by a large assemblage of people who throng the streets on Saturday night and this evening's concert promises to be no exception to the rule.

The program for tonight follows: March, "Elephant," Ord Hume Overture, "The Golden Wand," Grand Selection, "Mantua," "A Dream Picture of the Old South," "Uncle Tom's Cabin," Characteristic, "Moonlight in Dixie," March, "Garland Entry," F. King

ARCHITECT STUDIES REQUISITES OF 'Y'

E. Bignell, of El Paso & Southwestern, Confers With Secretary Richardson.

E. Bignell, chief of the El Paso & Southwestern line, was a visitor yesterday in Bisbee, coming here in connection with the work of renovating and extending the Y. M. C. A. building. Bignell has full charge of the plans for the extensions and general improvements. While here he conferred with Secretary Richardson and Capt. J. P. Hodgson, Arthur Notman and W. E. McKee, members of the building committee. Bignell took detailed measurements of the structure and will report today at a conference between the building committee and General Manager S. W. French of the Copper Queen.

COMPANIES ASSURE THEIR COOPERATION

Support of Copper Queen and C. & A. Makes July 4th Observance Certainty.

The committee appointed to see the companies relative to the holding of a July 4th celebration, has completed its work and an observance of the birthday of the Nation is now positively assured. General Managers French, of the Copper Queen, and Greenway, of the C. & A., are enthusiastic over the matter. With the support of the companies there seems no reason why the celebration should not be held, providing the business men and merchants in general turn out in force at next Thursday evening's meeting. The Boy's Band will send a delegation to this meeting and it is understood that another representation of boys will ask for the holding of a pushover race.

South Bisbee Sunday School pupils will hold their annual picnic today at Frick's Park. A general invitation is extended and all accepting will receive a cordial welcome. Games, refreshments and all the traditional accessories will feature the occasion and a delightful outing is assured.

MINIATURE RIOTS

Had Bisbee had a patrol wagon and a platoon of police, yesterday morning they would undoubtedly have been called out. A phone message came into the central office that five Mexicans, after drinking their fill of Mescal, had started to riot among themselves. Hill Huff went to aid in quelling the disturbance. Marshall Allison and Lo Wright responded and aided Huff in jailing the disturbers into the city jail.

PRATHER IS SUCCESSFUL

D. W. Prather of El Paso is meeting tremendous success in the sale of his extensive line of razors and razor straps at the Bisbee Drug Co. The line handled by Prather contains the latest conceptions and most scientific ideas which are offered in the greatest metropolitan stores. Indeed it is something decidedly unusual for such an extensive line of such goods to be offered in this section. That patrons have been more than satisfied is indicated by the steady increase of sales from the start.

HIS COW MAKES TROUBLE

F. H. Rolf has a cow, and said cow hasn't much regard for wire fences and other usual impediments to the progress of four legged beasts. The cow has been in the habit of going into other yards and has trampled considerable produce to pieces. One of the neighbors, aggrieved, swore out a warrant charging the owner with maintaining a nuisance. It was heard before the Justice of the Peace and the defendant pleaded guilty. He was fined \$10 and promised to make "Bossy" behave in the future.

CLEARED OF CHARGE

J. Tom Allen, charged with the murder of Manuel Alvarez, upon motion of the county attorney, was discharged from custody in Judge Tomman's court yesterday. Allen was not represented by counsel but the state was represented by John P. Ross, who after listening to the testimony offered by the defendant, moved to dismiss the case. It was practically a certainty that should the case have gone to the superior court it would have been lost before a jury and

Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional medicine. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or ringing in the ears. If you feel this sound or ringing in the ears, it is entirely closed. Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; else cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous lining of the Eustachian Tube.

We will give One Hundred Dollars for any case of Deafness cured by our method. Send for circulars free.
